In a rush, the open space, the green and tree shaded oasis spots of the town are fast disappearing under the pressure to build upon and clear and pave everything in sight. Still, here and there, there is something left that is beautiful to look upon in any season of the year. The brook that wanders across Park Street to flow over the Old Tub Mill dam at the highway is one such spot. At the crossing, it pools on either side of the road. The view on our cover is of the side toward the seaward flow to the mill run. The last snows of winter, preserved by the shade, melt on the banks and the still waters are dark with the dense shade of the covering trees. It is well worth the pause that refreshes.

The photo above is of one of the last free spots on earth. This happens to be the beach at Falmouth and our gull rules the winter world of the shore together with the other hardy creatures of the air and the sea. DCJ Photos

chairmen of the Buzzards Bay Day festivities to be held in this area on June 11th in conjunction with the towns of Westport, Onset, Wareham and Falmouth, received the Board of Selectmen's approval last Tuesday for the day's events.

Mr. McLean represents the Buzzards Bay Day coalition and Ms. King represents the Marion Area League of Women Voters. They both are preparing a schedule of events to be held on June 11th to highlight the need to bring these communities together to Share the Effort and to Share the Results of environmental conservation.

Mr. McLean said, "The national government has designated six important estuaries in the country for state and federal funds for environmental purposes. One of these six areas is Buzzards Bay. We have problems in Buzzards Bay but we are not in too bad a shape. The state DEQE doesn't want to write regulations for the towns, rather the state agency wants us (the towns) to write our own rules. The aim is to get our waters back to CLEAN for

"We are acting as a private group to bring these towns from Westport to Falmouth to work together. We are planning an 'Around the Bay Celebration' to include among other events, a boat sail (not a race) from Westport to Woods Hole on Saturday, June 11."

Ms. King explained some of the other activities that are planned as a tri-town effort will be held at Shipyard Park and at Ned's Point Veterans' Park. Mr. McLean and Ms. King asked Selectmen for their approval to use these two parks, which they granted.

The events include: boat tours on research vessels, a boat race; seascape art exhibit; fly fishing; saltwater fishing exhibit; guided nature walks through the saltmarshes; photo contest; and bicycle decoration. Also, a combination day with students from the Marion, Mattapoisett and Rochester school systems submitting essays on "What Buzzards Bay Day Means to Me" for the 6th grade and up, and a coloring contest for the younger children.

A kite flying contest at Ned's Point is also planned. The day's events will conclude with a band and block dance at Shipyard Park. Refreshments will be available during the day.

Bumper stickers and T-shirts would be available designating June 11 as Buzzards Bay Day.

Mr. McLean added that the Buzzards Bay Day coalition would provide liability insurance for the day's events.

Selectmen were very enthusiastic saying this is a great idea. They gave their approval with the provision the events would be coordinated with Executive Secretary Carol Adams and Police Chief James F. Moran.

Ms. King noted April 4-9 would be Water Awareness Week, sponsored by the League of Women Voters. When asked by Selectmen if there could possibly be any funds for cleaning up the Mattapoisett River, Mr. McLean said, "Hopefully, there will be private and government funding for the clean-up, with no cost to the towns."

In other business, Selectmen: MET WITH Kaaren Wileczka and her mother, Donna Wileczka, to sign the renewal agreement for Miss Wileczka to operate the Ice Cream Slip on the wharf for the summer months.

Miss Wileczka asked Selectmen if she could keep the removable building on the wharf overnight. She said the closing time of 11:30 p.m. most nights made it a hardship to haul the building to its overnight parking spot at BF Boat Yard on Route 6.

Mrs. Wileczka explained that neither the Harbormaster nor the Police Chief had any problems with allowing the building to remain on the wharf overnight. She admitted the request is a totally "selfish convenience for us".

The Board's vote was 2 to 1 with Selectmen Chairman John N. DeCosta and Selectman Frank M. Suzan objecting and Selectman William F. Hubbard saying he had no objection.

Selectman Suzan emphasized his decision is a personal opinion. He felt that since the original decision made with the first and previous owners when the signed agreement required that the building be removed every night, this original decision should remain the same. At that time several years ago it was brought out that a first step to allow overnight parking would result in the next thing - a perma-

nent structure. "This is something at the time we agreed we did not want to see happen", said Mr. Suzan. He added, "I still feel the same way. Not necessarily that you will do it, but someone following you might attempt this move. You do a super job and I support you."

Chairman DeCosta said he felt the agreement should stay the same as last year. "Keeping the building there on the wharf overnight could bring on vandalism and other problems," the chairman said.

Selectman Hubbard agreed he did not want to see a permanent structure on the wharf but could see nothing wrong with leaving the building overnight for several months.

Fairhaven Board of Public Works, concerning the flooding problem at the Herring Weir caused by the spillway on February 14th.

Superintendent Osuch's letter read, in part, "All the planks were not in the spillway at the time of the incident. The water is maintained at a lower level in the winter as compared to the summer. 2. The rainstorm had stopped early Friday afternoon and the river was being monitored with the last visit being made on Saturday at about 9 p.m. with no problem being found. 3. The cause of the flooding problem was the build-up of 'anchor frost' on the walls of the spillway choking off the width opening on the spillway. This can occur on any night and has nothing to do with rainfall. 'Anchor frost' is caused by a combination of wind blowing the water spray onto the concrete walls of the spillway and cold temperatures freezing the spray. As the spray freezes the spillway opening becomes smaller and the water backs up causing the flooding. By 7 a.m. on February 14 the frost had covered the pipe that crosses over the spillway. Once the Water Department crew broke the anchor frost on the pipe and spillway the river dropped down in a very short time without removing a plank.

"The monitoring of the anchor frost problem over the years has been a combination of the residents on the river and the Mattapoisett Police

Department who patrol at night in the area. Mr. Hussey, a long-time resident on the river, states that at one time it was posted in the Mattapoisett Police Department to watch for the 'anchor frost' build-up and to call the Fairhaven Water Department. The Water Department checks the River Road site three times a day - approximately 10 a.m., 4 p.m. and 9 p.m."

The letter continues, "Hopefully, if funding is available, the state plans to replace the entire spill-way with a new design and larger opening which should alleviate this problem."

WERE NOTIFIED by SEMASS Corp. of a change in the state General Laws under Waste Acquisition Agreement between SEMASS Partnership and the Town of Mattapoisett (effective December 17, 1987) which requires all owners and operators of refuse burning facilities to set aside three percent of tipping fees received in connection with solid wastes disposal agreements for the purpose of retrofitting such facilities for pollution abatement and control equipment and procedures.

WERE NOTIFIED by the Department of the Army, New England Division, Corps of Engineers, that public comments should be submitted in writing by April 4 to consider an application to place approximately 140 cubic yards of concrete in the Mattapoisett River in Mattapoisett

RECEIVED A CHECK in the amount of $893. covering American Cablesystems, Inc. franchise fees for 1987.

APPOINTED Peter B. Perkins, 21 North Street gas inspector, and Robert Garde, 3 Beachwood Road, assistant gas inspector.

MET WITH Herring Inspector Antone J. Nunes regarding the change in the number of days the Herring Run will be open for the catching of herring this year.

Mr. Nunes informed Selectmen he was opposed to the vote taken at the recent Tri-Town Herring meeting with Rochester and Marion. He said the other towns voted for the two days, Tuesday and Saturday, and "I wanted to keep the three days we presently have." Mr. Nunes said "Forty-two bushels were taken last year according to my figures. If you close the weir you won't get any more herring than you get now."

Housing Approval Questioned

ELDERLY AND FAMILY HOUSING APPLICATION DELAYED

June Mendell, Executive Director of the Mattapoisett Housing Authority, and Housing Authority members Paul Lambalot and Marlene O'Neill met with Selectmen last Tuesday to request the Board's signatures on the application to the State Executive Office of Community and Development, Bureau of Housing Development for a grant to pursue the Housing Authority's proposal for development of low income and elderly hous-

Ms. Mendell noted the application really should have the stamp of approval of the Town's Board of Assessors but that this approval has not been forthcoming, as of this date. "We have given them a great number of papers with information on the proposal but have heard nothing from them officially. However," Ms. Mendell said, "we have heard unofficially that the Assessors have turned over to Town Counsel Donald J. Fleming the agreement for review and for his legal opinion."

When contacted after the meeting, Assessor Bruce E. Rocha said, "Yes, it is correct the Assessors have given the agreement to the town counsel for the purpose of reviewing its impact on future Boards of Assessors."

Mr. Rocha said, "Ms. Mendell gave us pages 8, 9 and 10 of the legal document, she did not give us papers 1 through 7, the middle of the contract. (Since that first agreement offering, Ms. Mendell has given the Assessors all the remaining pages except page 5.) The agreement was not clear to us and we wanted assurance it would not restrict all future assessors."

Assessor Rocha said the Town Counsel has contacted the Counsel for the State Housing Authority to see if the agreement could be altered, calling for a specific period of

time and specific number of units. "Hopefully, we will have an answer in time for the deadline to file the agreement."

Mr. Rocha continued, "I feel we would be irresponsible and abrogating our duty to the taxpayers if we did not seek a legal opinion on the agreement. The agreement asks the Board of Assessors to waive the taxes of the affordable housing units. If this is done for an indefinite amount of time and an indefinite number of units, we could be asking taxpayers to subsidize this loss of taxes." As an example, Mr. Rocha cited the rights the town gave up when the state built a ramp on the wharf. "If we sign this agreement the way it is now written, we could be giving away our rights forever."

Director Mendell told Selectmen "We intend to follow through with the application with your (Selectmen's) support." The Housing Authority intends to continue with the best interests of the town, she added.

In his comments on the confusing action by the Assessors, Selectman William Hubbard said, "I don't understand what legal opinion they are seeking. This action of theirs will only hold up the application again. (A similar application was turned down several years ago because the Board of Assessors did not give its approval.)

"I'm shocked they didn't give you an answer by now. I don't know why they can't stand on their own two feet-why do they need legal opinion."

Under the agreement the authority must complete initial planning, including but not limited to selection of professionals, site, schematic

designs, and securing of all local approvals and commitments within a period of 180 days from receipt of an award; that town departments, including the building department, the Board of Health and Fire Department, will not require construction standards greater than the State Building Code and the State Sanitary Code; that the Housing Authority will apply for a Comprehensive permit from the Zoning Board of Appeals.

On Wednesday a letter from the Board of Assessors was hand delivered to the Selectmen's Office explaining that its members had offered to meet with Ms. Mendell but she did not take them up on their offer. At that time Town Counsel was checking further into whether there can be an agreement limited to a particular project rather than a blanket agreement.

Town Counsel Donald J. Fleming has now issued a legal opinion to the Board of Assessors stating that "there is no state regulation requiring the Board's signature, but that it would be a policy decision of the Assessors in what they feel is the best interest of the town."

Additionally, Town Counsel said, in his legal opinion, "If the Board of Assessors signed the agreement, yes, it would bind future Boards forever and a day."

Help us Preserve Space

WHAT'S HAPPENING TO UNBUILDABLE FRAGILE LAND IN MATTAPOISETT?

Do you wonder if any plans exist for preserving recreational land space in town? Or how the town will plan for future land preservation?

The Open Space-Land Preservation Subcommittee of Growth Management Study Group has received a $4,500 grant from the Plymouth County Conservation District. This committee has 8 months to formulate an Open Space Plan for the Town of Mattapoisett. If you have any knowledge, interest or expertise in this area, please call Martha Peterson at 758-4207.

Open Letter

TO THE CITIZENS OF MATTAPOISETT:

How often do we have a say in what our futures hold? How often can we actively do something about shaping our environment for ourselves and our children?

YOU have that chance right now. No one knows what the future holds for our town. We do know that Mattapoisett is growing by leaps and bounds. Subcommittees within the Growth Management Study Group are facing the challenge of finding out where Mattapoisett has been, how it

is growing now, and from those facts determining where it will be going in the future. The magnitude of current growth directly affects what we will be facing in the future.

If you are at all concerned about our special town please consider volunteering a small amount of time. We are all very busy, the demands on each of our lives are like nothing ever experienced before. However, we can "busy" ourselves right out of a great place to live. As the song goes, this town was just a baby yesterday, it's growing before our eyes and any day now we will realize it's grown beyond our sense of what might have been.

If you can spare any time at all, whether it be during the day (to look up facts and figures or call neighboring towns to find out how they are handling their growth) or if you can help with mapping projects, or correlating figures for comparison studies, if you would be willing to help in any way, please call 758-6548, we can use your help for the future of Mattapoisett.

Music in Our Schools Month

CELEBRATED AT ORR

During the month of March the Junior/Senior High School Music Departments at Old Rochester will be celebrating "Music in Our Schools Month". This month is dedicated to public awareness of the importance of why we have music in our schools.

Several school events have been planned to contribute to the celebration. The seventh grade general music classes are in the process of writing inter-disciplinary essays in conjunction with the English Department teachers, Mrs. LaFleur, Mrs. Gotham and Mrs. Young. The essays center around why the students think music is important in our schools.

Several other disciplines are also combining their areas with music including: the Art Department with a lesson on drawing to music under the direction of Mr. Richard Mello; the 7th grade History Department, under the guidance of Mr. Rory McFee, who is having several of his students write a history rap; Mrs. Johnson and Mr. Shockro (gym in-

Several area concerts are planned for the performance groups during the month including: UNH Jazz Festival, Senior Club at St. Anthony's, first half of the JHS Exchange Concert at Silver Lake Regional, Jr. High School District Festival, F.O.R.M. Scholarship Concert, as well as the annual district-wide band and choral festivals.

"Music in Our Schools Month" will conclude with an assembly on Friday, April 1st, at 1:00 p.m. in the JHS cafetorium. The assembly will feature the JHS band and chorus as well as work completed in general music classes including essays, in-class performances, results of a lip sync contest, and a slide presentation. A special appearance will be made by a barbershop quartet called "Olde Spice".

EXCHANGE CONCERT

On March 21st the Old Rochester Regional Junior High School Band and Select Chorus traveled to Silver Lake Junior High School in Pembroke for an exchange concert. These musical groups spent the day rehearsing their music with the Silver Lake students. After the rehearsal they spent time with their hosts at their homes before returning to Silver Lake for the evening concert.

On April 7th ORRJH will host Silver Lake in similar activities ending with a concert at 7:30.

Mattapoisett Council on Aging

One of the most important services offered by our local Police Department is the "REASSURANCE PROGRAM". Any elder can call 758-2323 between the hours of 6 and 10 a.m. to let the office know that all is well. If no call is received before 10 o'clock, the police will then try to call you. If there is no response after several tries, they will send a patrol car to check on your well-being. Currently, there are 19 seniors taking advantage of this program. Both the Police Department and the Council on Aging are very enthusiastic about this program which certainly adds to the security of our Seniors and cements a good relationship with them and the Police in our "special town".

Consequently, we strongly urge all seniors (especially those living alone) to add their name to the list. Please call the Council on Aging between 9 a.m. and 12 noon Monday through Friday (758-3758) and we will get the necessary forms for your convenience.

ability to understand that communication is key and that the Selectmen's office cannot do the job alone. A good leader must work to create a team atmosphere and to coordinate with other offices of town government to plan a direction for the town's future. To that end, if elected, I will work hard to establish a link between the Selectman's office, the Planning Board, the Board of Health, and the Conservation Commission. Together this crucial network of resources can provide Mattapoisett with a single, shared goal for the future: to keep Mattapoisett the kind of town we want it to be.

Coping with the problems that face the town is not an unsurmountable task. We can put a check on uncontrolled growth, and we can protect our fragile environment. The key is working together with the right leadership: the kind that I can provide.

I am well prepared to provide the effective leadership that Mattapoisett needs. My 25 years of business management experience, along with my 20 years of public service in elected office and appointed po-

The GREAT OUTDOORS OUTFITTERS WITH STYLE

—WARNING—
FISHINGITIS

The GREAT OUTDOORS OUTFITTERS WITH STYLE

This disease is extremely contagious, and may be spread by observation, personal contact, television, radio and many other means of communication.

SYMPTOMS

Victims of Fishingitis continually complain of needing fresh air, sunshine, outdoor relaxation and the need to get-away-from-it-all. They become restless and wake up in the early hours of the morning for no apparent reason. Their eyes have a dreamy, far-away look in them, and they often mumble to themselves. They have no taste for work of any kind, but have a strong craving for water - particularly clear, cool lakes. They frequently visit tackle shops. They converse secretly with friends, and can be seen moving their arms in simulated casting motions. They are often seen reading catalogs, and fishing and outdoor magazines. They also keep close track of weather reports with strong attention paid to barometric pressures.

TREATMENT

A Visit to THE GREAT OUTDOORS will bring temporary relief.

Affordable Housing Committee Needs Information

The Town of Mattapoisett is making application for designation as a Massachusetts Housing Partnership Community. The recently appointed town committee working on this program has made a determination that the first area of concern is making home ownership a possibility for those who have grown up and desire to remain here, and also to provide affordable homes for those who service our town's needs in various ways.

Details of the program are too numerous to list here. However, if you have never owned a home or have not owned a home as a principal residence for the previous three years, this may be your opportunity to qualify.

The income level and home purchase prices are shown below:

	Household -income levels
Most Affordable	up to $27,600
Affordable	up to $43,000

	Home purchase prices
Most Affordable	up to $78,500
Affordable	up to $110,000

	Interest Rates
Most Affordable	5%
Affordable	7.9%

To better determine the needs within the town the Committee would appreciate anyone interested to fill out the following questionnaire and mail or drop off at the Selectmen's Office; or call in the information to the Selectmen's Office

of Mattapoisett. Any tri-town high school student interested in participating in the student group should contact Linda Boucher or Barbara Meehan at Old Rochester Regional High School (758-3745).

Currently the student group is selling T-shirts designed by MMR Art Director Linda Tilden. The shirt features the mascots of all area high schools serving tri-town students. Cost of the shirt is $7. and is available in S, M, L and XL. All proceeds benefit the MMR "Dollars for Scholars" Scholarship Program. Shirts will be available at the Flea Market being held on April 9th at Old Rochester Regional High School.

The student group is also planning a car wash in the spring.

MMR Business Drive

The second annual MMR Tri-Town "Dollars for Scholars" Business Drive will be held March 28th through April 11th. The Business Drive is being headed by Joann Hess, Ken Pease, Ted Pratt, and Bill Muldoon, Jr. Area businesses will be contacted by community volunteers during the two weeks of the drive. The Business Drive is one of the major fund-raisers sponsored by MMR.

MMR Tri-Town "Dollars for Scholars" is a community-based program run by a volunteer Board of Trustees. The sole purpose of MMR is to raise scholarship money for students residing in Marion, Mattapoisett or Rochester. Awards are made to graduating seniors regardless of the high school attended, students currently in college, and re-entry students. Since 1983 MMR has awarded over $70,000 to more than 100 students.

St. Anthony's Guild Scholarship

The Women's Guild of St. Anthony's Church announces a five hundred dollar scholarship to be awarded in June 1988. The scholarship will be given to a parishioner of St. Anthony's Church who will be attending a college in 1988-1989. It will be awarded on the basis of academic standing and financial need as well as participation in church activities. Applications are available at area high schools and should be completed and returned before April 15th.

Woman's Club Scholarships

The Mattapoisett Woman's Club has announced that again it will offer three scholarships.

Two are awarded to high school senior girls who are either Mattapoisett residents or whose mother is a member of the Mattapoisett Woman's Club. Applicants must have applied to and/or been accepted into a college program. Applications are available in the Guidance Departments of area high schools.

The third scholarship is awarded to a Mattapoisett woman or Mattapoisett Woman's Club member, who is continuing her education after a significant period of interruption.

A Thank You

Once again, the Mattapoisett Firefighters' Auxiliary would like to thank the people of Mattapoisett, their friends and area business people for making our annual fund-raiser, Shindig V, a huge success.

We would especially like to thank Bronnie Apshaga of The Village Package Store, Michael Tache of Side Street Restaurant, and Jan Spark of Shipyard Galley for their generous donations of merchandise and gift certificates.

And once again, we would like to thank the firefighters who helped us set up and clean up. Without these kindnesses the Auxiliary would not have been as successful as we have been.

Hope to see you next year when Shindig VI comes around.

cafeteria is at least one artwork creation from each student in grades 1-3. Family and friends of our "young artists" are cordially invited to view this exhibit any school day from now until the end of March between the hours of 1:15-2:30 p.m. All artwork was created during art classes under the direction of Mrs. Diane Perry.

2/ A "Music/Art Night" has been planned for Wednesday, March 30th, beginning at 7:00 p.m. in Center School auditorium with a musical program by third grade students under the direction of Mrs. Jean West. Following this there will be another opportunity for viewing student art and three dimensional artworks on display in the cafeteria. The Mattapoisett Parent Teachers' Club will graciously provide refreshments which will be served by several third grade students.

3. Art students from the high school are coming to Center School during art class time to talk about and demontrate their favorite areas of art.

4. Last, but not least, local professional artists are visiting the students during regular art

Read Aloud Program

This year's Read Aloud program at Sippican School is off to a flying start! For the first time all kindergarten students, 55 strong, have gone home with bright yellow mesh bags, each book bag containing five books particularly suited to reading aloud.

Parents have been asked to cooperate in this program by reading aloud to their children on a regular basis for the ten weeks the Read Aloud will run. Every week, each partici-

pating child will take home a different bag, which means it is possible for each kindergarten child to be exposed to fifty different high-quality books.

Children have also been given pictures to color in. The number of objects colored will indicate the number of times they are read aloud to. At the end of the year each child taking part will be awarded a special certificate suitable for framing.

This Read Aloud program is organized cooperatively by V.A.S.E. (Volunteers at Sippican School) and the Sippican School Library/Resource Center, and, although every kindergartener is encouraged to participate, is purely voluntary. The program was started in recognition of the fact that reading aloud is the single most constructive act parents can take to help their children do well in school. Experts state that children who are read aloud to, do better in school at all levels.

Combined Choruses in Concert

On Friday, April 8th, the Sippican Chorus will join with the chorus at Southeastern Massachusetts University to present a concert (in the Recital Hall) at SMU at 8:00 p.m.

The concert will be repeated on Saturday, April 9th, at St. Gabriel's Episcopal Church in Marion at 8:00 p.m.

The featured work will be The Seasonings, a P.D.Q. Bach phenomenon, interpreting the seamy side of 18th century music. This adventure in orchestration, for chorus, slide whistles, kazoos, foghorns, trumpets, and strings, was composed by Peter Schnickele, the creator of P.D.Q. Bach's music which changes classical music into a spoof on itself.

The choruses will also sing works in madrigal form by Purcell, Bach and Schubert. Judith Dautel directs the Sippican Choral Society, Dr. Robert T. Adams directs the chorus at SMU, and Mrs. Corinne Peck, along with orchestra members, will accompany the choruses.

Tickets ($5.00 adults, $2.50 seniors and students) are available at The Bookstall in Marion, the Seaport Pharmacy and Mattapoisett Pharmacy in Mattapoisett, and from chorus members; and at the door before the concert.

Hospice Volunteer Training

The Wareham Area Hospice Association, Inc. offers a coordinated program of supportive care for persons with terminal illness and their families. Care is provided at home by an Interdisciplinary Team of professionals and volunteers.

Presently, there is a group of trained Hospice volunteers already at work with patients and families. They are a dedicated group from area communities who believe in the quality of life and the value of close relationships. But there is a growing need for additional volunteers to assist the Hospice Team in providing quality care in Buzzards Bay, Carver, Lakeville, Marion, Mattapoisett, Middleboro, Rochester, Sagamore and Wareham.

If you are a caring person interested in having a rewarding experience through helping others, consider becoming a Hospice Volunteer. Wareham Area Hospice Association, Inc. will be offering a Training Program for ten consecutive Thursday evenings this spring.

For further information or an application form please contact Jean Briggs at Wareham Area Hospice Association, 295-8544. A commitment to volunteer is made only after completing the training program.

LOPE COMEDY TO OPEN APRIL 1

Something special is happening this Spring at our region's theater. A production of Lope De-Vega's Golden Age of Spain comedy "El Perro Hortelano" is being presented in English under the title "IN THE DOGHOUSE" (or "The Gardener's Dog"). This production boasts an exciting translation by Brown University Professor Emeritus A. David Kossoff. Direction is by former Pulitzer Prize nominated poet George W. Hayden, assisted by award-winning designer Eric Spencer. The talented cast unites professional actors Christopher LeBlanc, Renee Thamalis, Michael Ventura along with regional performers Sarah Aldrich, Chris Hope Piccone, Matthew Hill, Sandy Jackson, Ken Watts, Brian Donehue, and introduces Carlos Costa, Raitt Erickson, Elliot Billings, Scott Ventura, and Claudia Gray as Anarda. The humor is picaresque and hilarious. "Es de Lope." Performance dates are April 1, 2, 8, 9, 15, 16, 22, 23 at 8 p.m. Tickets are $6., $8., $10 with special $5. student and group rates. Subscriptions are also available. Make your reservations for LOPE today, 295-6768.

SELECTED LEADERSHIP REPRESENTATIVE

Robert Bolduc, son of Mr. and Mrs. Roger Bolduc of Rochester, has been selected to participate in the Hugh O'Brian Youth Leadership Program. Mr. Bolduc's formal application was submitted into competition with other high school sophomores throughout Massachusetts. Students selected will participate in a Youth Leadership Seminar at Boston College in May. Following the state seminar, two students will be selected to attend the National Youth Leadership Week in St. Louis next summer.

The Youth Leadership Seminars provide outstanding high school sophomores with the opportunity to meet and interact with leaders in business, government, the arts and education. Over two hundred students will spend a weekend on the Boston College campus and participate in numerous activities.

Q. IS PASSIVE EXERCISE JUST A FAD?
A. DEFINITELY NOT! Passive exercise is the alternative to strenuous exercise. It has been said by physical therapists that the concept is effective for people with heart problems, artificial joint recipients, arthritics and others. Imagine effortless exercise that provides muscle tone strength, muscular endurance, flexibility, better circulation and inch loss! Call for complimentary visit or just stop in and see for yourself.

Tobey vs. Patriots

Once again this year, members of the New England Patriots Team will meet Tobey Hospital players next month in a basketball match to benefit Tobey. Proceeds of ticket sales will be applied to the hospital's $4.8M Capital Fund Drive. The public is invited to cheer the teams on at the Massachusetts Maritime Academy in Buzzards Bay on Saturday, April 16th, at 8 p.m.

Tickets are $5.00 and may be purchased before the game at the hospital or at the door on the evening of the game.

To purchase tickets or for more information call Tobey's Public Relations office at extension 295.

Babysitter Training Course

The next Babysitter Training Course at Tobey Hospital will be held on Friday, April 1st, from 5 to 9 p.m. and Saturday, April 2nd, from 10 a.m. to 2 p.m. in the Hospital Library.

The course covers Basic First Aid and CPR, Handling Emergency Situations, Accident Prevention, Child Care and Development, and instructs adolescents in responsible babysitting skills. Open to boys and girls ages 11-14, the class also offers presentations by Fire and Police Department representatives. Upon successful completion of the two

Old Colony
TO BE EVALUATED

On March 28th a twenty-two member visiting committee will begin an accreditation review at Old Colony Regional Vocational Technical High School. The visiting committee represents the New England Association of School and Colleges. NEASC is a nationally recognized accrediting association.

The visiting committee will be at the school through Thursday, March 31st. The committee will evaluate all of the educational programs and services provided by the school. They will develop commendations as well as recommendations for improving the educational program. According to David J. Ferreira, Assistant Superintendent-Director at Old Colony, "A NEASC accredited school is one which has available the necessary resources to achieve its stated purposes through appropriate educational programs, is doing so, and gives reasonable evidence that it will continue to do so in the future."

Preparations for the accreditation began with an intensive self-study which started in January 1987. The staff spent many hours reviewing curriculum, procedures,

The results of the site visit will be presented to the accrediting commission at its May meeting. Old Colony hopes to receive the results of the commission's findings by the close of the school year.

REPORT CARDS MAILED

The Guidance Office at Old Colony Regional Vocational Technical High School recently mailed second trimester report cards to the parents of its students. Parents with questions pertaining to their child's grades are urged to contact the guidance office by calling 763-8011, Ext. 26.

PHYSICAL EDUCATION DEPARTMENT STUDENTS PARTICIPATE IN S.A.D.D. PROG.

Recently several students from Old Colony Regional Vocational Technical High School attended a S.A.D.D. program at Greater New Bedford Regional Vocational Technical High School. S.A.D.D., Students Against Drunk Driving, is an organization of students whose purpose is to educate other students about one of the major killers of their age group. The program included a presentation by the CARE Nurses, a production by the Improbably Players, and several student activities.

Old Colony is presently starting their own S.A.D.D. Chapter. Participation in the event was sponsored by Old Colony's School Improvement Council.

recent recipients of Awards from Southeastern Massachusetts University's Spotlight Program. The "Participation with Distinction" Awards were presented to Bruce Bachand, Krista Brassil, Victoria Camacho, and Patricia Franks.

The Spotlight Program is an after school Enrichment Program for gifted and talented students. The program functions to bridge the gap between secondary school and college. All four Old Colony students intend to pursue a college education upon graduation.

Bruce Bachand is a resident of Acushnet. Victoria Camacho resides in Mattapoisett and Krista Brassil and Patricia Franks are residents of Carver.

STUDENTS QUALIFY FOR STATE COMPETITION

Twenty-four students from Old Colony Regional Vocational Technical High School have qualified for the State Skill Olympics of V.I.C.A. (Vocational Industrial Clubs of America). The students qualified in competition with students from seventeen other vocational schools. This year the state Olympics will be held in Boston April 14-16. Winners at the State level are eligible for competition at the national level. According to Joseph Tisdelle, V.I.C.A. Co-advisor, "We are very proud of our students' effort in the District competition and we are sure that they will do equally well in the State competition."

Last year only nine Old Colony students qualified for State competition. Students have shown greater interest in V.I.C.A. and the competitive activities it offers.

music created decades ago, will perform at the Zeiterion Theatre on Thursday, March 24th, at 8:00 p.m. Freestone's Restaurant and Bar is the sponsor of this legendary jazz band. Tickets are priced at $19.50, $16.50 and $13.50 with a $2.00 discount for senior citizens and students. For more information on tickets and group packages call the Zeiterion Box Office at 994-2900. Tickets are also available at all Ticketmaster locations.

The best traditions are to be enjoyed, and few are more enjoyable than traditional New Orleans jazz as played by the artists who created this great sound -- the Preservation Hall Jazz Band. The members of this band who will perform at Zeiterion are Willie J. Humphrey, Jr. (clarnet), Percy G. Humphrey (trumpet), Allan Jaffe (bass horn), Narvin Henry Kimball (banjo), Frank Parker (drums), Frank Demond (trombone), and James Edward "Sing" Miller (piano).

These are the musicians who not only made musical history with New Orleans jazz, but are perpetuating it as well. It is alive and bouncing at ancient Preservation Hall in the French Quarter of New Orleans, where the band holds forth when it is not on tour.

When the band travels it brings the same vitality to this sweet-sad-gentle-exuberant music. It is music born from the turn-of-the-century street parades and saloons, from the river boats and from the hearts of people who laughed and danced and cried. It's music played by men who worked the docks all day, but weren't too tired to blow their

horns for most of the night.

New Orleans jazz is different. Its form is uncomplicated, but its execution can be complex as each musician introduces his own free spirit into the concert. It is not Dixieland, it is not funny "straw-hat" music, and of course it is unwritten. The tempo is a shade slower than that of other jazz forms. It is a creative combination of marches, quadrilles, blues, spirituals and ragtimes.

Most of the Preservation Hall band members have made and played this music for more than 50 years, and it's part of them. Their music, while dated in origin, attracts enthusiastic fans of all ages.

Young musicians from all over the world come to Preservation Hall to learn the techniques and patterns of this distinctive and human music.

The Preservation Hall band members improvise as they go along, each concert is an original that will never by reconstructed in exactly the same way.

The Zeiterion Theatre is located at 684 Purchase Street in historic, downtown New Bedford.

Cones for Kids

FRIENDLY WAY TO HELP EASTER SEALS

Friendly Restaurants' employees and WPRI-TV12 are scooping up mountains of ice cream -- all to benefit the Massachusetts Easter Seal Society. The CONES FOR KIDS program is co-sponsored by WPRI-TV12 and Friendly.

Throughout March over 850 Friendly Restaurants in 15 states are offering their customers coupon books valued at $5.00. The books cost $1.00. The $1.00 goes directly to Easter Seal services for men, women and children with disabilities.

The coupon book includes a certification for two free ice cream cones redeemable April 4, 5, 6 -- plus discount coupons for other Friendly products. Coupons are good March 7 to April 15 at any Friendly Restaurant.

Since 1981 the CONES FOR KIDS campaign has raised more than $4 million for Easter Seal services. In Massachusetts, CONES FOR KIDS helps fund physical and occupational therapy, support groups for people who have had strokes, summer camp, speech therapy, loan of specialized equipment, therapeutic swim programs, home health care and information and referral services.

Practical Nursing Course

Diman Regional School of Practical Nursing announces March 13-19 marks the annual observance of PRACTICAL NURSING EDUCATION WEEK. Diman was recently named the top school of Practical Nursing in the Commonwealth based on last year's graduates licensing test results.

The contribution that Practical Nursing Educators have made to the delivery of Health Care by educating LPNs has been evidenced in our area by the graduation of almost 200 LPNs in the school's history.

Diman currently has a class that will graduate on June 30th and is accepting applications for September 1988 admission. The last Pre-Entrance Admission test will be held March 26th.

Anyone interested in pursuing a career in Practical Nursing may contact Barbara Pitera, M.S.N., R.N. at Diman Regional School of Practical Nursing, 678-2891, Ext. 20.

Subtract the Sodium

Salt is something we can probably live without. In fact, we get all the sodium we need simply from its natural presence in unsalted food.

Too much sodium, in fact, is harmful. Sodium can contribute to high blood pressure and a host of other illnesses.
